Dear Adam:

Thank you very much for Trustco Bank's 2024 year-end very generous \$2,500 donation to the Community Loan Fund. You can be assured that we will use the funds to support our community development services. We are proud to count Trustco Bank as one of our longtime supporters and are especially grateful for your personal support over the years.

For more than 39 years, the Community Loan Fund has supported small businesses owned by minorities, women, and people of low-income. We provide financing and training classes to help these businesses launch and grow. We also provide financing to nonprofits who deliver essential services to marginalized communities. Our goal has always been to ensure that everyone is able to participate in the prosperity of the Capital Region, regardless of race, class or gender.

Our lending capital fund has financed 340 budding entrepreneurs and small businesses, as well as countless local nonprofit organizations throughout the Capital Region since 1986. Last year, we extended our 1,000th loan, for affordable housing. To date, we have made loans totaling more than \$79 million, leveraging more than \$289 million in local investment from other sources, and provided training and technical assistance to thousands of Capital Region residents—505 alone in 2024. Along the way, we have helped to create/rehab over 1,800 units of affordable housing and to create/retain over 4,000 jobs.

Thank you, again, for Trustco Bank's continued and longtime generous contributions towards our mission. Please reach out once you're ready to discuss opening a new investment or line of credit for our lending capital fund. I look forward to working together in the future.

Thanks Adam!

Sincerely,
